EAGLE RESEARCH® CORPORATION

TALON SCE™ SOFTWARE TRAINING

Objectives

The objective for the program will be to provide everyone attending the Training with a solid working knowledge of the Eagle Research® Talon SCE™ Software. Attendees will be exposed to a variety of Eagle personnel during the training process. You are encouraged to bring a laptop computer with you so that we may load Talon™ Software for you to work with while you are attending the training session.

The Training Process is structured to build on prior modules as the time goes along, so attempting to pick and choose certain modules is not encouraged, as we are attempting to cover a lot of ground in a relatively short period of time. Lunch will be provided each day for attendees.

Cost

The Cost of this training is $350/person to cover Printed Materials and incidental costs. For three people from the same company the total cost will be $800 (a savings of $250). Payment must be made prior to attending the Training session. Checks should be made payable to Eagle Research Corporation® and should reference ERC – Talon™ Training Session with the names of those attending. Credit cardpayments are accepted (Visa/Master Card).

**Please RSVP to confirm your attendance at 304-757-6565
or Tushar.Shah@eagleresearchcorp.com
Limited Seating!**

Travel Information

Airline reservations should be made into Charleston, WV and US Air, Continental, United, Northwest Air and Delta all serve the local market. The Charleston Airport is approximately 25 miles from our facility. Lodging is also available locally (approximately 5 min. from our facility)

The Hampton Inn is conveniently located approximately one mile from our facility. There is a Holiday Inn Express also very close to our office. Both the Hampton and the Holiday Inn are located off of Exit 39 on I-64 west of Charleston, WV.

If you prefer to stay in Charleston, there are a number of hotels available there as well, and we will be happy to make recommendations to you at your request.
